

Colorado & Utah National Park Tour

\$2790* Per Person

11 Days / 10 Nights

Day 1 - Fly to Las Vegas

Fly to [Las Vegas, NV](#). When you arrive, you are free to spend time on your own. We will meet in the hotel breakfast room around 8 pm for a meet and greet.

Day 2 - Hoover Dam & Freemont Street

This morning, we'll tour **Hoover Dam**. We'll start with a stop at the visitor center before an elevator takes us down 500 feet and see the power plant followed by visiting the observation tower where you'll have a panoramic view of **Lake Mead** and the **Colorado River**. Next, you'll have the afternoon free to rest or go out on the town. This evening we'll tour the strip, see the **Bellagio Fountains** and **Experience Freemont Street**. We'll return to our hotel in [Las Vegas](#).

Day 3 - Zion National Park

Today, we visit **Zion National Park**, Utah's first national park. There are paths where ancient native people walked. You will see sandstone cliffs of cream, pink and red. This park is one of the most magnificent natural wonders. Our hotel tonight is in [Bryce Canyon City, UT](#).

Antelope Canyon

Day 4 - Bryce Canyon National Park

We'll make our way through **Bryce Canyon National Park**, which is known for its most unique and amazing geology. If you so wish to hike down the canyon, there will be plenty of time for you to do this. We'll then travel to [Page, AZ](#) in time to visit **Glenn Canyon Dam** located on the beautiful **Lake Powell**.

Bryce Canyon

Day 5 - Antelope Canyon

This morning we depart for **Antelope Canyon**. It's a spectacular, yet not well known attraction with the most unusual rock formations and colors that are simply breathtaking. This afternoon we'll make our way to [Moab, UT](#) for the night.

Day 6 - Arches National Park

This morning we will visit **Arches National Park**. It is claimed to have more than 2000 natural sandstone arches here along with many other geological formations. We of course will only see a few. We will then head to [Durango, CO](#) for the evening. We should arrive in time for you to visit this quaint little town and do some shopping before dinner.

April 5 - April 15, 2022

September 21 - October 1, 2022

Day 7 - Great Sand Dunes National Park

This morning, we'll cross the famous **Wolf Creek Pass** and **Continental Divide** on our way to **Alamosa, CO**. Along the way, we'll stop at the **Great Sand Dunes National Park** where you'll wonder, "How'd that get there?" The dunes rise to about 750 ft., the highest dunes in North America, and you're welcome to climb up a little ways.

Day 8 - Royal Gorge Train

All aboard! Today we board the **Royal Gorge Train** as we travel along the Arkansas River through the Rockies. You can see anything from bald eagles to big horn sheep. This is a train ride for the memory book. We'll return from this fun excursion and travel to **Pueblo, CO** for the night.

Day 9 - Bents Fort National Historic Site

Today we travel through the flatlands as we make our way to **Dodge City, KS**. We'll stop to visit **Bents Fort National Historic Site** where traders, trappers and tribes peacefully came together for trading. In Dodge City, we visit the **Boot Hill Museum** which is a real education about life in the 1800s. We should get in early enough to spend a little time at the casino.

Day 10 - Strataca Salt Mine

On day 10, our first stop is the **Big Well** in Greensburg, KS. From here it's on to Hutchinson, KS where you can drop down 2000 feet into the bellows of the **Strataca Salt Mine**, built within one of the worlds largest deposits of rock salt. After a busy day, we'll stay in **El Dorado, KS**.

Day 11 - Fort Scott

We head to Missouri with a short stop at **Fort Scott National Historic Site**. You'll arrive home this evening with memories to last a lifetime.

**Price does not include airfare or airport shuttle.*

We will take you home at the end of the trip.
