May 2 - May 6, 2023

\$1390 Per Person

5 Days / 4 Nights

Day 1 - Monastery of Immaculate Conception

Today is pretty much a travel day as we may our way to Louisville. We do stop along the way at **Monastery of Immaculate Conception**, home to one of the largest communities of Benedictine women in the US. We'll spend tonight in **Louisville, KY**.

Day 2 - Frazier History Museum

We have several stops today around Louisville. The first stop is the **Frazier History Museum**, where the world meets Kentucky. Our next stop is the **Mega Cavern** taking a tram on an underground adventure. The last stop today is **Rebecca Ruth Candy Factory** where handcrafted chocolates have been made since 1919. We'll spend a second night in **Louisville, KY**.

Day 3 - Louisville Slugger & Churchill Downs

We start today with a tour of the **Louisville Slugger Factory & Museum**. You'll see how they make baseball bats and see some of Louisville bats used by very famous players. After lunch we head to **Churchill Downs** for an afternoon of horse racing at it's finest. Ladies, make sure to bring your hats and nice clothes as this is a dress-up event. These are preliminary races leading up to the world famous Kentucky Derby. Save your \$2 bills for betting or just sit back and enjoy the afternoon. We'll spend one last night in **Louisville, KY**.

Day 4 - Grand Ole Opry

We start out the day at the **National Corvette Museum** where the sinkhole swallowed 8 of their cars a couple years ago. Even if you've never owned a Corvette (and most of us have not) this is a really neat place to see. This evening we head to **Nashville, TN** to see a **Grand Ole Opry Show** where you will very likely see someone you've watched on television.

Day 5 - Home

Today we head home with a few interesting stops along the way. This will be a trip to remember as you don't generally see a Horse Race at Churchill Downs and an Opry Show in the same week.
