

Colorado & Utah National Park Tour

\$3390 Per Person

11 Days / 10 Nights

Day 1 - Dwight Eisenhower Library

We begin our journey by heading west into Kansas. While driving through the Flint Hills, we'll see several windfarms and hundreds of miles of prairie and crop land. This afternoon we'll visit the **Dwight Eisenhower Library and Museum**. There is a vast amount of history in this world-class library. We'll end today in **Salina, KS**.

Day 2 - Forney Transportation Museum

Today we'll visit the **Forney Transportation Museum** with over 500 exhibits relating to the history of transportation in the United States. We'll have dinner before we settle into our hotel near **Golden, CO**. Make sure to rest up for the great days ahead.

Day 3 - Colorado National Monument

This morning we'll drive west to the **Colorado National Monument** where you'll see sheer-walled red rock canyons, towering monoliths and maybe some big horn sheep. Along the way we'll drive through the famous **Eisenhower Tunnel**. We'll spend tonight in **Grand Junction, CO**.

Day 4 - Arches National Park

This morning we head to **Dead Horse State Park** where we'll see some of the towering buttes and deep canyons carved out by the Colorado River. We look out over **Canyonland National Park** but don't actually walk in the park. This afternoon we're off to see the arches at **Arches National Park**. We'll see a few of the 2,000 natural stone arches and bridges. Tonight we end up in **Green River, UT**.

Day 5 - Bryce Canyon National Park

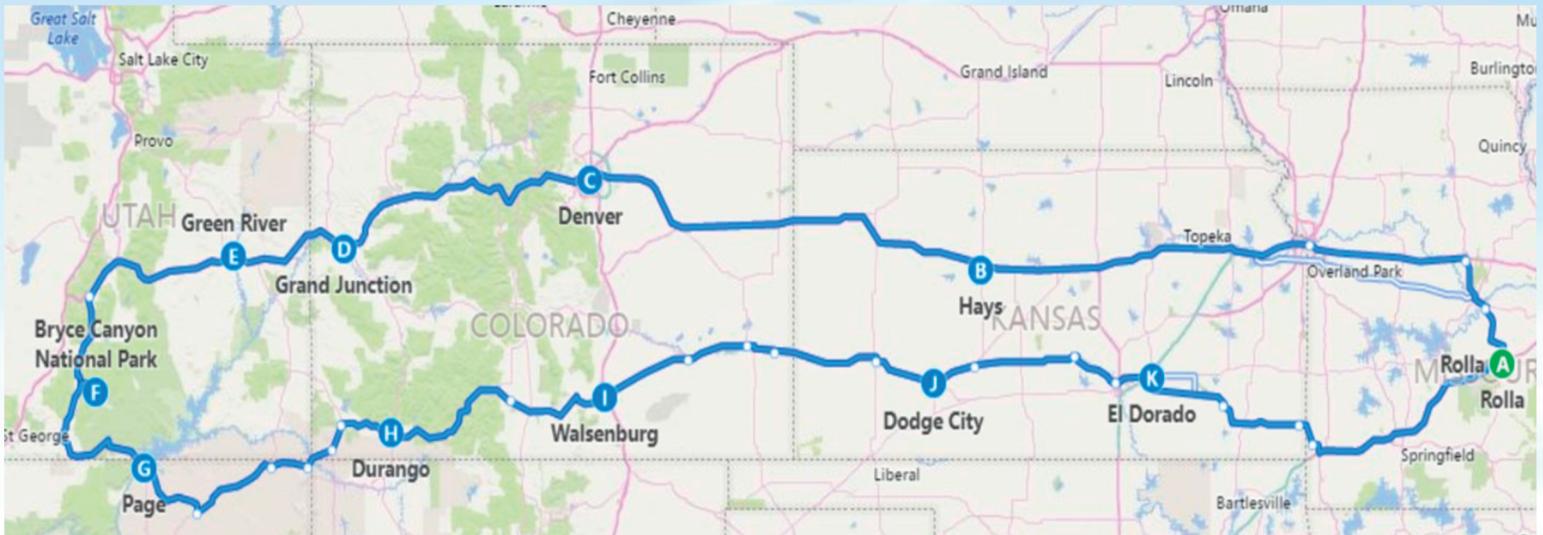

This morning we will travel to **Capitol Reef National Park**, a hidden treasure of cliffs, canyons and beautiful color contrasts. After lunch, we continue our drive on scenic Highway 12 as we make our way to **Bryce Canyon National Park**, which is known for its most unique and amazing geology. Tonight we will stay in **Bryce, UT**.

Day 6 - Lake Powell Boat Tour

This morning, for the more adventurous, we'll return to Bryce Canyon for you to hike down into the canyon. For those who want the morning to relax, we'll have a later checkout from the hotel. Late morning we'll head to **Page, AZ**, where we'll take a journey through history on a boat tour of **Lake Powell**.

June 11 - June 21, 2026

August 20 - August 30, 2026

Day 7 - Antelope Canyon

This morning we depart for **Antelope Canyon**. It's a spectacular, yet not well known attraction with the most unusual rock formations and colors that you'll ever see. This afternoon we'll make our way to **Durango, CO** for the night. We might have enough time to do a little shopping and visit the **Four Corners Monument**.

Day 8 - Great Sand Dunes National Park

This morning we'll cross the famous **Wolf Creek Pass** and **Continental Divide** on our way to **Pueblo, CO**. Along the way we'll stop at the **Great Sand Dunes National Park** where you'll wonder - "how'd that get there?" The dunes rise about 750 ft., the highest dunes in North America.

Day 9 - Boot Hill Museum

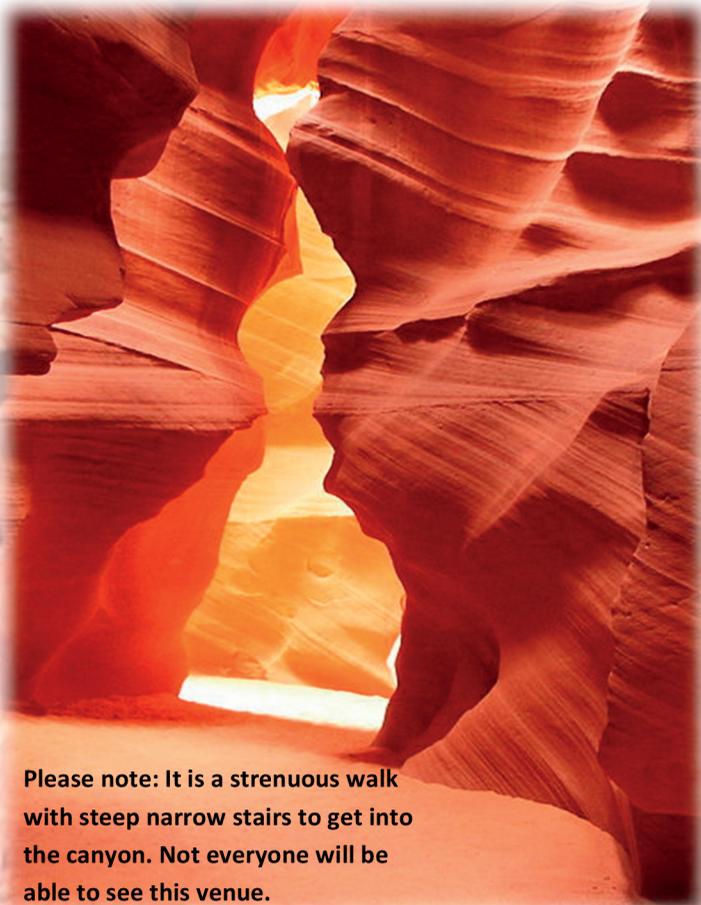

Today we travel through the flatlands as we make our way to **Dodge City, KS**. We'll stop to visit **Boot Hill Museum** where they've preserved the history of the Old West with thousands of artifacts. We should get into Dodge City early enough to spend a little time at the casino.

Day 10 - Strataca Salt Mine

On day 10, our first stop is Greensburg, KS where we'll visit the **Big Well** and then off to Hutchinson, KS where we'll descend 650 feet underground into a glittering world of salt and science to tour the **Strataca Salt Mine**. After a busy day, we'll stay in **Wichita, KS**.

Day 11 - Travel to Missouri

After 10 days of adventure, we head back to Missouri, looking for something interesting to see along the way. Many say this is the most unique trip of all that we do.

Please note: It is a strenuous walk with steep narrow stairs to get into the canyon. Not everyone will be able to see this venue.
