## Day 1 - Abraham Lincoln Presidential Museum

We begin our journey by heading east. The first stop on our trip will be at the **Abraham Lincoln Presidential Library and Museum** in Springfield, IL. We'll learn about our 16th President, Abraham Lincoln, and the difficult road he traveled as president. Our hotel tonight is in **Pontiac, IL**.

## Day 2 - Shippshewana, IN

We travel today to **Shippshewana, IN**, a quaint little Amish town where we will explore some of their really neat shops. Sometimes you can go on a carriage ride (on your own) with an Amish entrepreneur. Their restaurants are amazing and bakeries are even better.

## Day 3 - RV Hall of Fame Museum

Bright and early we will stop at the **German Heritage Ridge Creamery** and sample a few of their outstanding cheese selections. Next, we'll travel to Elkhart, IN where we'll visit the **RV Hall of Fame Museum** and learn the history of RVing in this country since 1913. This afternoon, we should arrive at our hotel in **Houghton Lake, MI** early enough to enjoy a little time on the beach.

## Day 4 - Mackinac Island

We are off for a **Ferry Ride to Mackinac Island** and then a carriage ride to the Grand Hotel. You'll get to sit on the largest porch in America and take a tour of the hotel if there are no special events. Afterwards, you'll be able to ride bikes or just relax at our hotel on **Mackinac Island, MI**.

## Day 5 - Old Mackinac & McGulpin Lighthouse

This morning we take a ferry ride back to the mainland for a quick photo-op of the **Old Mackinac Lighthouse**. We will also see the **McGulpin Point Lighthouse**. This afternoon we'll arrive in **Frankenmuth, MI**, where we'll have time to experience a little German heritage and food.

### Day 6 - Niagara Falls • Canadian Side

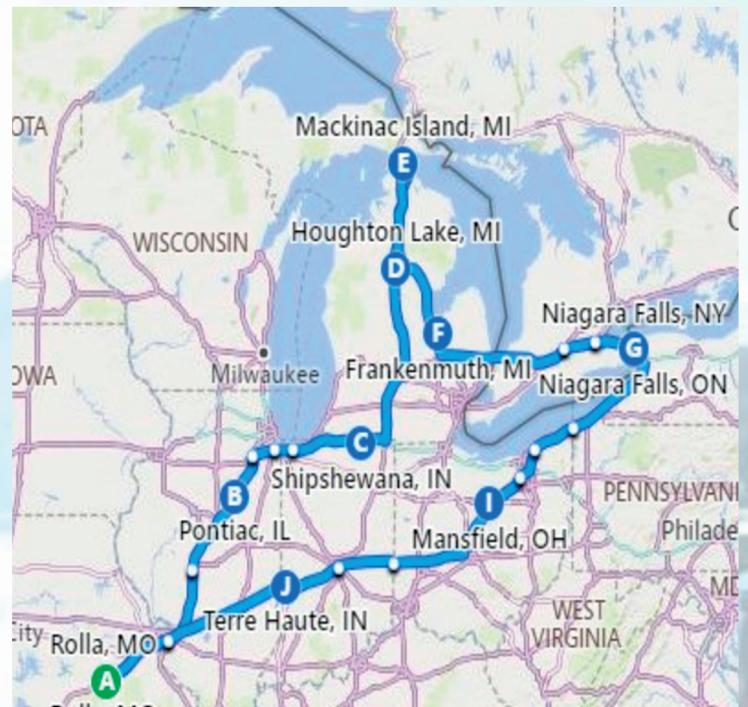

This afternoon, we'll arrive at **Niagara Falls** and see the majestic waterfall, some for the first time. This evening, you're free to do some tourist stuff and for sure there's a lot of stuff to do.

### Day 7 - Niagara Falls • Canadian Side

First we'll spend some time at **Table Rock Visitors Center** at the edge of Horseshoe Falls. The power of the water is so amazing. Later this morning, we'll take a ride to the bottom of the falls on the **Hornblower** where you'll enjoy the cool mist and wind up close to the falls and maybe get drenched. We'll visit the **Floral Clock**, then you'll have some free time to rest or explore on your own. Tonight we will spend a second night on the Canadian side of **Niagara Falls**.

### Day 8 - Niagara Falls • American Side

After sleeping in a bit we'll cross the border and go the American side of **Niagara Falls** and spend some time on **Goat Island**. Those that want will get to experience **Cave of the Winds**. This venue is not for the weak of heart as there's lots of stairs and you will get wet. If the weather is right, we'll have a nice picnic on the edge of the falls before we leave the area. We stay in **Mansfield, OH** tonight.

### Day 9 - Indianapolis Motor Speedway Museum

This morning we break away from the Great Lakes region and head to the **Indianapolis Motor Speedway Museum** to see some really cool cars. We may even get to ride around the track if there's no time trials or racing going on. We spend tonight near **Terre Haute, IN**.

### Day 10 - Home

As our journey comes to an end, we'll reflect on the many highlights of the trip we saw. From the Amish countryside to the thundering power of Niagara Falls. Today we make our way home with a few souvenirs tucked in our bags.
