*11 Days / 10 Nights*

## Day 1 - Kansas State Capitol

Today is primarily a driving day, but along the way, we drive past the Giant Wind Farms and through the Flint Hills of Kansas. We'll also stop at the **Kansas State Capitol**, known as one of the most iconic buildings in the state for its stunning architecture. We'll spend our first night out in **Salina, KS**.

## Day 2 - Old Town Museum

Today we Step back in time at Burlington's **Old Town Museum**, a complex of historic buildings and exhibits. Wander through an 1880s Main Street to see antique farm equipment, and enjoy interactive displays that bring the Old West to life. We'll spend tonight in **Firestone, CO**.

## Day 3 - Rocky Mountain National Park

We'll drive through **Rocky Mountain National Park** and cruise the **Continental Divide**. We'll travel over mountains that exceed 12,000 feet and there's a good chance we'll see some wild animals. Our evening will be spent in **Craig, CO**.

## Day 4 - Dinosaur National Monument

This afternoon we'll visit **Dinosaur National Monument** where paleontologists all over the country have come to uncover thousands of bones. After a visit here, you'll have no doubt that dinosaurs did exist. You'll also see beautiful rock formations, mountains and canyons. On our way to **Pinedale, WY**, we'll drive through **Flaming Gorge** and see the largest reservoir in Wyoming.

## Day 5 - Grand Tetons National Park

This morning we drive through **Grand Tetons National Park**, with its beautiful mountains and lake areas. We will arrive in **Yellowstone National Park** this afternoon where we'll see **Old Faithful Geyser** and the **Old Faithful Inn**. This inn is an architectural feat for a log structure. Tonight, we stay in **West Yellowstone, MT**.

## Day 6 - Yellowstone National Park

Today we will drive through the center of **Yellowstone National Park**, the nation's first national park. We'll see the steaming springs, paint pots, waterfalls and many other very unusual phenomena. We'll also see lots of wildlife on our way to **Cody, WY**.

### Day 7 - Buffalo Bill Historical Center

This morning we spend some time in Cody, WY at the **Buffalo Bill Historical Center**, open since 1927. Besides telling the real story of Buffalo Bill, this museum houses thousands of vintage weapons that will impress even the most cynical. This afternoon we'll take a scenic drive over the **Big Horn Mountain Range** to **Gillette, WY**.

### Day 8 - Mount Rushmore & Crazy Horse

This morning we'll see **Crazy Horse Monument**, a tribute to the American Indian. After lunch, we'll have some free time for shopping in Keystone or Hill City, SD before visiting **Mount Rushmore National Memorial**, a tribute to four presidents, symbolizing freedom and democracy. We'll retire for the night in **Keystone, SD**.

### Day 9 - Badlands National Park

After breakfast, we're off to what could just be the biggest tourist trap ever, **Wall Drug**, in Wall, SD. We'll then drive through **Badlands National Park** where rhinos, horses and saber toothed cats once roamed. We'll end the day in **Chamberlain, SD**.

### Day 10 & 11 - Corn Palace & Home

Our first stop of the day is the **Corn Palace**, a tribute to South Dakota's agricultural heritage. On our way to **Council Bluffs, IA**, we will stop to see the scenic waterfalls at **Sioux Falls, SD** and, weather permitting, have a picnic. On day 11, we head home to Missouri with a stop at the **Pony Express Museum** in St. Joseph, MO. You'll have new friends, pictures to share and memories to last a lifetime!
