Day 1 - Travel from Missouri to Tennessee

We'll take a leisurely drive from Missouri to Tennessee today arriving this evening at our hotel in [Clarksville, TN](#).

Day 2 - Falcon Rest Mansion & Gardens

On our way to Chattanooga, we'll stop to see **Falcon Rest Mansion & Garden**. At one time this home was used as a hospital, but today the home is filled with hundreds of Victorian antiques. On our way to our hotel in [Chattanooga, TN](#), we'll visit the **Lodge Cast Iron Museum**.

Day 3 - Tennessee Valley Rail Road & Lookout Mountain

We start today with a historic train ride on the **Tennessee Valley Rail Road**. You'll also have time to tour the museum. After lunch, we visit **Rock City** and then we'll ride the **Lookout Mountain Incline Railway**. We'll settle in for a second night in [Chattanooga, TN](#).

Day 4 - Ripley's Aquarium & Sugarland Distillery

After a visit at the Gatlinburg Welcome Center, we'll come face to face with sharks and sea turtles at **Ripley's Aquarium**. Before arriving in [Pigeon Forge, TN](#) we'll visit **Sugarland's Distillery** for a behind the scenes look at their stillhouse.

Oct 27 - Nov 2, 2026

7 days / 6 nights

Day 5 - Smoky Mountain National Park

We'll spend the morning in the world-renowned **Smoky Mountain National Park** where we hope to see a bear or two. This is America's most visited national park. After a fun day, we'll go back to our hotel in [Pigeon Forge](#) to get cleaned up for a good time at **Dolly Parton's Stampede**. Dinner comes with a side of trick-riding, music and a whole lot of Southern charm.

Day 6 - James White Fort

We'll start making our way home today. Along the way, we'll visit **James White Fort**, the birthplace of Knoxville, TN, built in 1786. After our visit we'll continue our travels westward. This evening we'll stay in [Clarksville, TN](#).

Day 7 - On our way home

We're arriving home this afternoon after a mix of relaxation and adventure. We made memories, shared lots of laughs, and enjoyed the beauty of the area. Until next time!
